## FAMILY CHEMICAL DEPENDENCY QUESTIONNAIRE

1. Does someone in your family undergo personality changes when he/she drinks or drugs?
2. Do you feel that drinking/drug use is more important to this person than you are?
3. Has excessive drinking/drug use ruined special occasions?
4. Do you find yourself covering up for the consequences of someone else's drinking/drug use?
5. Have you ever tried to control the amount consumed by the drinker/drug user by joining in the drinking/drug use?
6. Is your family having financial or legal difficulties due to drinking/drug use?
7. Have you ever tried to control the drinker/drug user's behavior by hiding the car keys, pouring the liquor down the drain, throwing out the drugs, etc.?
8. Do you find yourself doing things that are out of character for you?

*An affirmative answer to ANY ONE of these questions indicates the strong possibility of a chemical dependency problem in the family.*
